Four Months of Travelling

Sixteen churches, one youth camp meeting, one fire and one storm.

We returned home from Florida at the end of March prepared to go to Alabama in the month of April. God had a different plan as the tornadoes struck the state. All of the churches we had planned on being in had lost power and or some were damaged by the weather. This was unexpected by both parties. Thankfully the churches can rebuild and to our knowledge church members were spared. God is so good and we praise His Name for His mercy. For three weeks we were at home. We had one meeting on April 10 at Jackson Creek Baptist church in

Denton, NC. Our income in the month of April was very sparse and our Lord was teaching us to be more frugal with what He provides.

On May 11, 2011, we had the privilege of being with Dr. Bobby Robertson at Gospel Light Baptist Church in Walkerton, NC. We had a great time and shared our ministry with the church. Dr. Robertson is a very humble man and it was a blessing to meet him and be in this great church.

On May 15, 2011, we were with Victory Baptist Church in Buena Vista, VA where our dear friend Dean Staten pastors. We had great meeting with him and this precious church family. We left there for evening service to be with Holly Farm Road Baptist Church in Rice, Virginia. Pastor Dave and his church family have been so gracious

to us over the years. They have faithfully supported us for almost five years. Thank you Pastor Arbitelle and church family.

On May 16, we drove down to North Carolina to be with Pastor Jimmy Jones at Riverside Baptist Church for his Missions Conference and it was a very special time. Thank you Pastor Jones for having us. On the following Sunday we went to be with my friend Pastor Ron Talley at Hyles Baptist Church in the Richmond, Virginia. We had a great time with Brother Talley and his church family. We witnessed many at the altar and had the privilege of singing. Thank you Brother Talley for having us and giving us time to report on our ministry.

On May 29, 2011, we had the honor of going to one of our first supporting churches, Cornerstone Baptist Church in Rosedale, Virginia. Pastor Brian Warren is the new pastor. He is a graduate of Calvary Baptist college in King, NC. He is doing a great job and we appreciate all that this church has done for us. Thank You Pastor and church family for everything. You're a blessing to us. On the first of June we left for Florida and Georgia. We had the privilege of being with Faith Independent Baptist church in Tampa, Florida where our new friend Pastor William Riley labors. He was on vacation so we got the chance to meet the church family and spend some time with them. Thank you Pastor Riley for allowing us to come.
